

CORPORATE ENVIRONMENTAL POLICY

The Inspections Group Inc. is driven to be an industry leader in our field and commits to responsible environmental awareness and preservation. We understand that caring about our environment is a critical aspect in caring for our employees, our communities, and managing a sustainable business.

To help minimize our impact on the environment we promote:

- Waste Reduction and Recycling – reduce, reuse and recycle
- Energy Management – energy awareness among staff
- Compliance with Environmental Regulations – no vehicle idling
- Water Conservation – awareness among staff
- Conservation of Paper – use electronic copies whenever possible
- Green Products – purchase products that do the least damage to the environment
- Communication – communicate environmental commitment to staff, clients, customers, the public and encourage them to support it
- Legislation – spill kits for vehicles
